CAPABILITIES STATEMENT

Overview

Veterans Intellectual Property (VIP) is dedicated to empowering veterans with pro bono intellectual property services. Our mission is to ensure that all veterans and their families have access to the legal system, especially when it comes to protecting their innovative ideas and creations.

Affiliations

VIP has been recognized and featured on platforms like Military.com and has been involved in various podcasts and interviews, highlighting the organization's impact and vision.

Services

- **Patents:** Assist veterans in determining the patentability of their ideas and guide them through the patenting process.
- **Trademarks:** Offer guidance and protection for unique brands and logos.
- **Copyrights:** Help veterans safeguard their creative works from unauthorized use.

Core Competencies

Our organization provides the strategic framework necessary for veteran inventors to navigate the complexities of Intellectual Property (IP) and government contracting.

- **IP Strategy & Mentorship:** Expert guidance on provisional patents, trademarks, and trade secrets specifically for veteran-led startups.
- **Technical Research:** Precise paralegal and technical research services to validate "Dual-Use" technologies for military and commercial application.
- **SBIR/STTR Support:** Assisting small businesses in understanding and retaining IP rights when working with federal funding.
- **Founder Guidance:** Mentorship through the lifecycle of an invention, from initial concept to hardware prototyping.
